Student Report by Ava Lemon

Monday: We did spelling and studied for our Social Studies test. We also had ice cream sundaes.

Tuesday: We had math and we went to the computer lab. We also had music.

Wednesday: We did math. It was hard. We also went to go see the older kids sing.

Thursday: We had P.E. and Mrs. Lohse was our substitute. It was fun.

Friday: We had our reading test and shared our poetry book reports.

What's Cooking:

Math: We will be continuing our study of geometry this next week.

Science: Life Science is next on the agenda. Animals and plants are perfect for springtime learning.

Social Studies: Break

Religion: We will be splitting into pairs and learning about our third grade saints: St. Bernadette, St. Katharine Drexel, St. John Bosco, St. Dominic, Bl. Mother Teresa, and St. Damien of Molokai.

Reading-This week was our last school library check out. However, the TSCPL Bookmobile will be here on May 11th for one last visit.

English-The poetry billboards look fantastic! Next week we will begin learning about pronouns.
