## *Greetings Extraordinary Ministers of Holy Communion!*

***New Ministers*** Welcome to our news ministers: Lannie Buford, Maureen Hilding, Christian Holmes, Jean Rafferty, Dylan Tidwell, Kathy Toelkes, Angie Triggs, Mark Torrez, and Dianne Vande Velde. We are blessed to have them join our ministry!

***Thank you!!!*** Thanks to all of you who helped by serving at extra masses during Lent and Holy Week, as well as First Communion and Confirmation. Your willingness to serve made each of these masses very special!

### ***A Few Reminders***

- Summer is a busy time with many families taking vacations and participating in special events. If you are unable to fulfill your commitment to serve, ***please*** make every effort to arrange for a sub. If you need help, feel free to contact me.

- Be sure to come back to pray before mass and sign in on the bulletin board even if you are a sub. Those few minutes before mass will allow us to be sure we have enough ministers and to be aware of any changes or special situations during mass.

***Note:*** If Deacon Dan, Deacon Nicholas or a visiting priest attends mass, they will be serving at communion and some of us will need to graciously step down. Thank you for understanding!

- Remember that only PB ministers who serve in the transepts should come forward to help. BC ministers should **not** come forward, since this causes congestion.

- Father Greg asked me to remind everyone that when we are in the sacristy taking back the chalices, voices carry out to the church. We need to speak quietly when in the sacristy.

***God bless you for your commitment to this ministry! May you and your family have a safe and relaxing summer!***

***Barb Chamberlain***
