Greetings Extraordinary Ministers of Holy Communion!

Thank you!!! Thanks to all of you who helped by serving at extra Masses during Lent and Holy Week, as well as First Communion and Confirmation. Your willingness to serve made each of these Masses very special! I also appreciate those of you who help sub...what would we do without you?

Communion for Musicians As you know, we have a regular minister (Patty White) assigned to take communion to the choir, which sings at the 9:30 am Masses and many Holy Days. Patty has been a great help and helps communion to flow more smoothly.

Here are some tips for other Masses, where the minister assigned to position BC6R should help with the musicians:

- If groups performing on the main level are unable to receive communion during Mass, please take note and be sure a minister stays after Mass to give them communion.
- If singer(s) and an organist (other than the choir) are in the choir loft, it is their responsibility to remind Father of how many hosts are needed. After serving the transept, BC6R should return their ciborium to the altar and pick up a pyx that has hosts to take to the choir loft. We have one singer, Mary Laura Barnett, who needs a gluten-free host that is kept in a specially marked pyx. I know that this could get complicated/forgotten, but if the musicians remind Father, everything should be ready for you. Please contact me if you have questions. Thank you for your help!

Liturgical Ministers Retreat

We will be holding a retreat for ALL liturgical ministers on Saturday, October 12 from 8:00-11:30 am. The retreat will begin with Mass at 8:00 am, followed by a light breakfast, special speakers, and re-commissioning. Your attendance at this retreat is very important, so I hope with this early notice, you can all join us. You will receive more info closer to the date.

New Minister Training

We will have a training on Wednesday, June 19 at 6 p.m. for those interested in joining the ministry. We have several open positions, which will hopefully be filled. If you know of anyone who would like to become an EMHC, please have them contact me for a registration form and more info.

Personal Note

Thank you to everyone for your support and prayers for my step-son Craig, who has been battling a brain tumor for 5 years. He has undergone 2 surgeries, chemo, radiation, and now immunotherapy. Allan and I were able to visit Craig, his wife Julianna, and our two amazing grandchildren in North Carolina, and shared many special moments. Doctors are uncertain if this new treatment will work, but we know prayers help us all accept God's will! Your love and prayers mean so much to us!

May you and your family have a safe and relaxing summer! God bless you always!

Barb Chamberlain
